These definitions are excerpted from The Department of Education's Handbook for Campus Safety and Security Reporting Appendix B.

Murder/Non-Negligent Manslaughter: The willful (non-negligent) killing of one human being by another. (Deaths caused by negligence, attempts to kill, assaults to kill, suicides, accidental deaths, and justifiable homicides are excluded.)

Negligent Manslaughter: the killing of another person through gross negligence.

Robbery: the taking or attempting to take anything from value of the care, custody or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault: an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. It is not

necessary that injury result from an aggravated assault when a gun, knife or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.

Burglary: The unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes unlawful entry with intent to commit a larceny or a felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle. (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access, even though the vehicles are later abandoned - including joy riding)

Arson: The willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another kind.

Weapon Law Violations: The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; all attempts to commit any of the aforementioned.

Drug Abuse Violations: Violations of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Liquor Law Violations: The violation of laws or ordinance prohibiting: the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; all attempts to commit any of the aforementioned. (Drunkenness and driving under the influence are not included in this definition.)

Hate Crimes: We are also required to report statistics for bias-related (hate) crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug abuse violations and/or weapons: possessing carrying, etc. (see definitions on the front page) and

larceny- theft, destruction/damage/vandalism of property, intimidation, and simple assault (see definitions below).

Larceny: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

Vandalism: To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

If hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A bias-related (hate) crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc. the assault is then also classified as a hate crime.

Sex Offenses-Forcible: Any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent.

A. Forcible Rape: The carnal knowledge of a person, forcibly and/or against the person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity (or because of his/her youth).

The orientation includes a description of campus security policies and procedures, suggestions on how to avoid becoming a crime victim, evacuation plans at the institution, and procedures for reporting any criminal activity or emergency. All students are subject to a national and state criminal history check prior to enrollment and the school will conduct a repeat check 90 days prior to graduation for all Vocational Nursing Program (VN) students. This is to monitor any activity which may have occurred.

PROGRAMS TO INFORM STUDENTS AND EMPLOYEES ABOUT THE PREVENTION OF CRIMES

The Institution instructs its staff and students to be aware of crime and its prevention. The institution has proper procedures for reporting Criminal Actions (as stated above- "Reporting Criminal Actions or Other Non- Emergencies", personal safety, living in a city, crime prevention, basic safety.

In addition to the annual campus security report, students and employees are notified of specific security concerns as they arise throughout the year. In the event the Institution, with the assistance of the local police, determines that a particular criminal offense continues to be a threat to the campus community, the Campus Director will notify the Institution's community by bulletin board notices, notices read by instructors in classrooms, and notices in student handouts or through the Emergency Notification System.

Students are requested to review the Institution's School Catalog and/or Handbook where sections discussing Student Code of Conduct can be found. Also, students are requested to read this *Campus Security and Crime Prevention Policy* handout that discusses procedures for reporting Crimes and Emergencies, Crime Awareness, and Campus Security. Employees are requested to review the Institution's *Employee Handbook* where information regarding Employee Conduct and the Safety policy can be found.

Furthermore, employees are requested to read this Campus Security and Crime Prevention Policy handout that discusses procedures for reporting Crimes and Emergencies, Crime Awareness, and Campus Security.

OFF-CAMPUS STUDENT ORGANIZATIONS

Should a student or employee be a victim of injury or crime during a School-sponsored activity, the student or employee should notify the appropriate agencies, (i.e., police, ambulance, or fire department). The student or employee should immediately notify the appropriate person at the Institution as soon as possible. The school has no off campus or on campus housing and does not have any off-campus locations.

DRUG AND ALCOHOL POLICIES

Graduate America annually and upon orientation of newly enrolled students and newly hired faculty members will distribute its materials for drug, alcohol, and crime prevention.

In keeping with section 120(a) through (d) of The Higher Education Act of 1965, as amended, including the Drug-Free Schools and Communities Amendments of 1989 (Public

Law 101-226), a "Drug Free Schools and Campuses" publication, the Drug and Alcohol Abuse Prevention Program, is provided to the Institution annually. Pursuant to federal and state drug laws, students are prohibited from the unlawful manufacture, distribution, possession, sale, or use of illicit/illegal drugs. Graduate America also enforces state laws regarding underage drinking. This prohibition applies while on the property of the school or when participating in any institutional activity. Students or employees who violate this policy will be subject to disciplinary action up to, and including, expulsion from school or termination of employment and referral to the appropriate local law enforcement agency.

The school drug tests all nursing students and faculty/staff randomly and if suspected additional testing will be conducted randomly. If a drug screen comes back positive, further investigation will be conducted and termination of employment/enrollment may occur for a positive drug screen. Students are prohibited from the possession, use, or sale of illicit/illegal drugs, or alcoholic beverages on campus or while enrolled in school.

Alcohol and Drug prevention counseling is conducted upon orientation for students and staff and is posted on the school website for all staff and employees to review.

PROGRAMS AND PROCEDURES *REGARDING SEXUAL ASSAULT*

Educational information promoting the awareness of rape, acquaintance rape, and other sex offenses are offered by the Institution. Discussions on rape awareness, reducing the risk of being a rape victim, and what to do if you are attacked.

Brochures on sexual assault issues are available to the students. Should a student or employee be sexually assaulted, it is the student(s)/employee(s) option to notify the appropriate law enforcement authorities, including on-campus authorities and local police. At the student's/employee's request, the Campus Director or other school officials will assist in notifying the proper authorities.

Victims of sexual assault or rape should follow these recommended steps:

1. Go to a safe place following the attack. If able, call 911 immediately.
2. Do not shower, bathe, douche, or destroy any of the clothing you were wearing at the time of the attack.
3. Go to a hospital emergency room for medical care.
4. Make sure you are evaluated for the risk of pregnancy and venereal disease. (A medical examination is the only way to ensure you are not injured and it could provide valuable evidence should you decide to prosecute.)
5. Call someone to be with you as you should not be alone.

It is also recommended that victims call the Rape Crisis Hotline at 713-528-7273. It is open 24 hours a day and their counselors can help answer medical and emotional questions at any hour and in complete confidence. Reporting the rape to the police is up to the victim, but it is important to remember that reporting a rape is not the same as prosecuting a rape. Victims are strongly encouraged to call the police and report the rape. If the victim requests, Graduate America will assist in identifying off campus counseling or mental health services. After any campus sexual assaults are reported, the victims of such crimes have the right to request that Graduate America personnel take steps or actions reasonably feasible to prevent any unnecessary or unwanted contact or proximity with alleged assailants, if applicable, including the transfer of classes. Other rape crisis centers or mental health agencies available to assist a victim of sexual offenses include:

- *Houston Area Women's Center's Domestic Violence Hotline (713) 528-2121*
- *Sexual Assault Hotline (713)528-7273*

DISCIPLINARY ACTION AND SANCTIONS

On-campus disciplinary procedures against students will be in accordance with Graduate America published Student Conduct Policy. Both the accuser and the accused are entitled to have others present during a disciplinary proceeding. Both will be informed of the outcome of any campus disciplinary proceeding. Sanctions, which may be imposed following a final determination of a disciplinary proceeding regarding rape, acquaintance rape, or other forcible or non-forcible sex offenses, may include warning, probation, suspension, or dismissal.

PROGRAMS AND PROCEDURES REGARDING VIOLENCE AGAINST WOMEN

In accordance with the Violence Against Women Reauthorization Act of 2013, educational programs are provided to all students and employees to promote prevention

and awareness of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. Such program includes a statement that the Institution prohibits domestic violence, dating violence, sexual assault, and stalking along with the applicable jurisdictions' definition of each including the definition of consent (in reference to sexual activity).

The programs provide "safe and positive" options for bystander intervention to prevent or intervene when there is a risk to another person of domestic violence, dating violence, sexual assault, or stalking and information on how to reduce risk and recognize warning signs of abusive behavior and how to avoid a potential attack. The Institutions also provide "ongoing prevention and awareness campaigns for students and faculty" that include the material provided to incoming students and employees.

The Institution makes known the possible sanctions and protective measures following a final determination regarding rape, acquaintance rape, domestic violence, dating violence, sexual assault, or stalking; including procedures victims should follow if one of these acts has occurred. The Institution provides in writing:

The importance of preserving evidence for proof (for prosecution or in obtaining a protective order) and to whom the offense should be reported.

Law enforcement and campus authority's options to notify the victim regarding their option to file a report to the local police, assist the victim if they choose to notify law enforcement and give the victim the right to decline to notify such authorities.

Rights of victims and Institutional responsibilities on orders of protection, no contact orders, restraining orders, or similar lawful orders issued by criminal, civil, or tribal courts.

The procedures for Institutional disciplinary action in cases of domestic violence, dating violence, sexual assault, or stalking such as:

1. Provide a prompt, fair, and impartial investigation, and resolution; and be conducted by officials who receive annual training on issues related to domestic violence, dating violence, sexual assault, and stalking, and how to investigate and hearing process that protects the safety of victims and promotes accountability.
2. The accuser and accused are entitled to the same opportunities to have a support person/advisor of their choice at any proceeding or related meeting. The accuser and accused must be simultaneously informed in writing of:
3. The outcome of any Institution all disciplinary proceeding that arises from an allegation of domestic violence, dating violence, sexual assault, or stalking.
4. The Institution's procedures for appealing the results of the proceeding.
5. Any change to the result that occurs prior to the time that such results become final.
6. When such results become final, the Institution provides information about how the confidentiality of victims will be protected. Written notification will be provided to students and employees about services available for victims both on-campus and in the community.

7. Notification will be provided to victims about options for, and available assistance in, changing academic, living, transportation, and working situations, if requested by victim and if reasonable available, regard less of whether victim chooses to report the crime to campus police or local law enforcement.

Also, a student or employee who reports to an institution of higher education that s/he has been a victim of domestic violence, dating violence, sexual assault, or stalking, whether it occurred on or off-campus, shall be provided with a written explanation of his or her rights and options. There shall be no retaliation against anyone who exercises rights under the Clery Act and Title IX.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

The Institution will use its Emergency Notification System to notify the Campus Community of any immediate threat to the Campus Community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

Students and employees may receive text messages via Cell Phone, STARS, Signal App or e-mail contacts with information relative to the threat and the action to be taken by the Campus Community to remain safe until the threat/perceived threat is over. On campus notifications will also be conducted using manual notification systems such as a school official notifying each classroom and laboratory of any threat or any incident requiring emergency notification. In addition, the school has an intercom system with "page all" feature and a manual emergency bell in the office corridor.

The Institution will, without delay, and considering the safety of the community, determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims to contain, responds to, or otherwise mitigates the emergency.

TIMELY WARNINGS

The Institution will also use its Emergency Notification System to issue a "timely warning" to the Campus Community in the event a crime is reported to campus officials or local police that represent a serious or continuing threat to students and employees. The warning will be issued as soon as the pertinent information is available. The intent of the timely warning is to enable recipients to protect themselves and aid in the prevention of an emergency.

PROCEDURES FOR DISSEMINATING EMERGENCY INFORMATION TO THE LARGER COMMUNITY

Any member of the Campus Community may, at their discretion, notify public authorities of any emergency or dangerous situation on campus. The three principles named above will also determine if public authorities/emergency and law enforcement agencies will be notified and will do so by the most expeditious means immediately available.

THE INSTITUTION'S PROCEDURES TO TEST THE EMERGENCY RESPONSE AND EVACUATION PROCEDURES

On at least an annual basis, the institution will test the Emergency Response Communications system using STARS, Signal App text messaging and/e-mail transmissions. A log will be kept of the date and time of the test. A survey will be distributed to the campus community to solicit feedback on the effectiveness of the notification. The surveys will be maintained for a minimum of one year and the data on the response effectiveness recorded as part of the test log.

Confirmation of the type of emergency/dangerous situation - will be through the School's Directors office. The Director will confirm the type of emergency and will determine ne what emergency response agency will be notified of. Any emergencies deemed reportable to all members of the staff, faculty and student body should be immediately directed to the school Director for prompt action.

Notification to Campus Management by any member of the campus community does not preclude notification to the appropriate emergency authorities.
